<b>Science &amp; Soc Studies/Art</b>	<ul style="list-style-type: none"><li>• Students will discuss American Symbols.</li><li>• Students will discuss famous women in history.</li></ul>

## Last Week in Detail

In literacy, we continued our Unit 3 on families. We learned about the different types of settings. We learned about the physical setting, material culture and social culture of the setting. We discussed why the setting matters. We practiced reading and writing our Power Words. We worked on phonics sounds /ur/ and /oo/. We read for accuracy. In writing, we wrote stories that included different types of setting to help enhance the plot. We completed our Ruby Bridges art work to go along with our writing about Ruby Bridges. We worked more on researching the person we were assigned for Black History month. We visited the Black History fair that the 4<sup>th</sup> graders put together. In math, we took our lesson 23 quiz on adding tens and ones to any number. We finished our floats for our Mardi Gras parade. We had an amazing Mardi Gras parade. Lusher musicians came from the high school to play for our parade. The first grade floats were amazing.

**Community Clean-Up:** We still plan on doing our community clean up where we walk through the neighborhood picking up trash. So far the past 2 dates that we planned did not work out due to weather. We will schedule again after the Mardi Gras break.

**King Cake:** Special thanks to Alex and his family for bringing the king cake last week.

**Homework:** Please remember to fill out your child's reading log after reading for 30 minutes. Please email if you need a new log.

## Exploratory Schedule Week of 3/02

Tuesday 3/3	Wednesday 3/4	Thursday 3/5	Friday 3/6	Monday 3/9
PE	No School	Library	Theater	Music
